9.30 – 17.00 Study trips (incl. visiting local entrepreneurs and local communities, lunch and coffee breaks).

Some places where we plan to go:

-**Piesta Kuusikaru Farm** Starry skies and smell of apples, childhood memories and vision of future, determination and dedication, nice flavours and good thoughts – life on the farm in the heart of Estonia <https://www.kuusikaru.eu/home/>

-**Energia Farm** –The Energy Farm was founded a few decades ago. As herbs good for one's health are grown in the farm and the farm itself is located in a naturally good place, by the Navesti River – these two combined make up a good amount of energy.
